

[Schedule](#)

**Day 1 • 18<sup>th</sup> June • Monday**

	Congress Hall 1 Hall 13	Congress Hall 2 Hall 14	Congress Hall 3 Hall 14
	Oil and Gas Exploration	Development of Oil and Gas fields	Transportation and storage of oil, oil products and gas
10:30-12:30	<b>Round table</b> <b>Partner:</b> <b>Rosgeology</b> Geophysical instrument manufacturing: localization of production and new technologies	<b>Technical workshop</b> <b>Partner:</b> <b>Engineering Practice Ltd</b> Systems for monitoring and management for Mechfond data system and oil fields exploration and development	<b>Conference</b> <b>Partner:</b> <b>PIPELINE transport institute (Transneft)</b> New technologies, equipment and materials for design, construction, operation and repair of main pipelines <b>Round table 1</b> Ensuring the reliability and safety of pipeline transport facilities
13:00-15:00	<b>Conference</b> <b>Partner: Eurasian Union of Experts on Subsoil (EUES)</b> The role of the new classification in rational subsoil use	<b>Technical workshop</b> <b>Partner:</b> <b>Engineering Practice Ltd</b> Oil production cable products	<b>Round table 2</b> <b>Partner:</b> <b>PIPELINE transport institute (Transneft)</b> Current issues of construction and operation of pipeline transport facilities
15:30-17.30	<b>Conference</b> <b>Partner: Euro-Asian Geophysical Society (EAGO)</b> <ul style="list-style-type: none"> <li>• Modern methods of well logging: MWD/LWD systems. Market conditions and prospects for further development</li> <li>• Secondary oil-and-gas-bearing formation completion systems. Advanced technologies. Innovation solutions</li> </ul>	<b>Technical workshop</b> <b>Partner:</b> <b>Engineering Practice Ltd</b> <i>Continued</i>	<b>Transportation</b> <b>tbc</b>

**Day 2 • 19<sup>th</sup> June • Tuesday**

	Congress Hall 1 Hall 13	Congress Hall 2 Hall 14	Congress Hall 3 Hall 14
	<b>Oil and Gas Exploration</b>	<b>Development of Oil and Gas fields</b>	<b>Transportation and storage of oil, oil products and gas</b>
10:30-12:30	<b>Lecture</b> <b>Partner:</b> <b>European Association of Geoscientists and Engineers / EAGE</b> Land seismic - new technology levels	<b>Conference</b> <b>Partner:</b> <b>Associations of drilling contractors</b> Construction and operation of oil and gas wells on land and offshore <b>Technical Section 1:</b> Horizontal and multi-hole drilling	<b>Conference</b> <b>Partner: VNIIGAZ</b> Topic tbc
13:00-15:00	<b>Lecture</b> <b>Partner:</b> <b>European Association of Geoscientists and Engineers / EAGE</b> <i>Continued</i>	<b>Technical Section 2</b> <b>Partner:</b> <b>Associations of drilling contractors</b> Construction of wells in the fields with hard-to-recover reserves with TRIZ Theory of Inventive Problem Solving	<b>Conference</b> <b>Partner: VNIIGAZ</b> Topic tbc
15:30-17.30	<b>Lecture</b> <b>Partner:</b> <b>European Association of Geoscientists and Engineers / EAGE</b> <i>Continued</i>	<b>Technical Section 3</b> <b>Partner:</b> <b>Associations of drilling contractors</b> Hydraulic fracturing and multistage fracturing in horizontal wells	<b>Conference</b> <b>Partner:</b> <b>VYGON.Consulting</b> Russian LNG Projects: Technologies and Markets

**Day 3 • 20<sup>th</sup> June • Wednesday**

	<b>RPGC 1 Hall</b>	<b>RPGC 2 Hall</b>	<b>Congress Hall 1 Hall 13</b>	<b>Congress Hall 2 Hall 14</b>	<b>Congress Hall 3 Hall 14</b>
	<b>Health, safety and environment</b>	<b>Technologies and equipment for Russia's Oil &amp; Gas Industry</b>	<b>Oil and Gas Refining and Petrochemicals</b>	<b>Development of Oil and Gas fields</b>	<b>Automation / Metrology for the Oil and Gas industry</b>
10:30-12:30	<b>International Forum of Ecological Safety and Innovation Ecological Technologies for the Oil and Oil Refining Industry</b> Partner: European-Russian Business Association (ERBA)	<b>Pipe Forum</b> Partner: Minpromtorg and non-profit organization «Foundation for development of tube industry» Topic tbc	<b>Conference</b> Partner: UOP Modern technologies of refining and petrochemistry	<b>Conference</b> Partner: TBC Artificial oil lifting	<b>Conference</b> Partner: International Society of Automation / ISA Topic tbc
13:00-15:00	<b>International Forum of Ecological Safety and Innovation Ecological Technologies for the Oil and Oil Refining Industry</b> Partner: European-Russian Business Association (ERBA) <i>Continued</i>	<b>Conference</b> Partner: Russian Pump Manufacturers Association (RPMA) Pumps – Topic tbc	<b>Conference</b> Partner: UOP Construction and modernisation of oil refineries, gas processing plants and petrochemical plants	<b>Conference</b> Partner: ICoTA / Intervention & Coiled Tubing Association Technologies and equipment for high-tech oil and gas services	<b>Conference</b> Partner: Yokogawa Electric Corporation Topic tbc Huawei - ?
15:30-17.30	<b>Conference</b> Partner: GCE Group (Center of expertise) Health and safety	<b>Conference</b> Partner: Scientific and Industrial Valve Manufacturers Association (NPAA) Pipeline Valves – Topic tbc	<b>Refining</b> tbc	<b>Conference</b> Partner: ICoTA / Intervention & Coiled Tubing Association Topic tbc	<b>Conference</b> Partner: Federal Agency for Technical Regulation and Metrology Oil & Gas industry metrological provision

**Day 4 • 21<sup>st</sup> June • Thursday**

	RPGC 1 Hall	RPGC 2 Hall	Congress Hall 1 Hall 13	Congress Hall 2 Hall 14	Congress Hall 3 Hall 14
	<b>Health, safety and environment</b>	<b>PR and Communications in the Oil and Gas Industry</b>	<b>Education and Careers in the Oil and Gas Industry</b>	<b>Development of Oil and Gas fields</b>	<b>Automation for the Oil and Gas industry</b>
10:30-12:30	<b>Conference</b> <b>Partner: Minpromtorg</b> Topic tbc (HSE risk management in Russia: opportunities and challenges)	<b>Communication Forum MIOGE 2017</b> <b>Partner: Center for Development of Communications of the Fuel and Energy Complex</b> How to develop effective communications in the Oil and Gas industry	<b>Conference</b> <b>Partner: Gubkin Russian State University of Oil and Gas (National Research University)</b> Modern methods of specialists training for the oil & gas industry	<b>Technical Seminar</b> <b>Partner: Skolkovo Foundation</b> Digital oil field	<b>Round table</b> <b>Partner: COMNEWS</b> Implementation of the programme “Digital economy” in Russia’s oil & gas industry
13:00-15:00	<b>HSE tbc</b> Russian oil, gas and construction workers' union (ROGWU) - ?	<b>Communication Forum MIOGE 2017</b> <b>Partner: Center for Development of Communications of the Fuel and Energy Complex</b> <i>Continued</i>	Big companies practices - ?	<b>Production tbc</b>	<b>Round table</b> <b>Partner: COMNEWS</b> <i>Continued</i>
