Moscow • Crocus Expo Exhibition Centre

13:00-15:00

OPENING PLENARY

The importance of International dialogue on Energy as a key factor in the future development of the oil and gas business industry

EXPERT DISCUSSION:

Russia as a strategic partner on world Energy markets

Keynote Welcome Address:

Kirill Molodtsov, Deputy Minister of Energy, Russian Federation

Pavel Zavalny, Chairman, State Duma Committee on Energy, Russian Federation

Mikhail Ivanov, Director of Department for Machine-tool Construction and Investment, Ministry of Industry and Trade, Russian Federation

Chair:

Igor Vittel, Political scientist, TV host, NTV

Invited Speakers:

Joel Hanley, Editorial Director, European & African Oil, Platts

Russian Crude Oil and refined products export post-OPEC. The challenges for Russian diesel and fuel oil

Jonathan Elkind, Former Assistant Secretary for International Affairs, US Department of Energy; Senior Research Fellow, Center for Global Energy Policy, Columbia University, USA

Global oil and gas — challenges in a time of plenty

Gennady Shmal, President, Union of Oil and Gas Industrialists, Russia

Oil and gas sector under geopolitical and economic challenges conditions: problems and solution methods

Valery Bessel, Executive Vice President, GC "NewTechServices", Professor of the Gubkin Russian State University of Oil and Gas (National Research University)

Russia as a strategic partner on world Energy markets

Vladimir Drebenstov, Chief Economist for Russia and CIS, Vice President External Relations, BP

BP – annual statistical review of world energy (edition 2017)

15:00-15:30

Coffee break

13:00-15:00

RPGC FORUM
Development of Russia's oil and gas offshore resources

Co-chairs:

Vadim Petrenko, Department Head, Technology for Offshore Field Development Gas, Gas Condensate & Oil production, Gazprom
Vasily Bogoyavlensky, Member, Russian Academy of Sciences, Doctor of Technical Sciences, Deputy Director for Scientific Work of Institute of Oil and Gas Problems, The Russian Academy of Sciences, Head of the Laboratory of Complex Geological and Geophysical Exploration and Development of Oil and Gas Resources of the Continental Shelf

Invited Speakers:

Vadim Petrenko, Department Head, Technology for Offshore Field Development Gas, Gas Condensate & Oil production, Gazprom
Vasily Bogoyavlensky, Member, Russian Academy of Sciences, Doctor of Technical Sciences, Deputy Director for Scientific Work of Institute of Oil and Gas Problems, The Russian Academy of Sciences, Head of the Laboratory of Complex Geological and Geophysical Exploration and Development of Oil and Gas Resources of the Continental Shelf

Results and perspectives of Arctic Region and World ocean oil and gas resources development

Sergey Bokarev, Deputy General Director for Drilling, Gazprom Flot
Well Construction on the shelf of the Russian Federation

Garry Oganov, Deputy Director, Krasnoyarskgazprom Neftegazproekt
Design solutions for the construction of wells on the shelf in the presence of near-surface gas

Vladimir Kuksov, Chairman of the Board of Directors, AKROS
Development of hydrocarbon resources of the Russian shelf

Julia Menshikova, Director-Tax Department, Corporate Taxes, Deloitte
Practical questions in the field of taxation, appearing during the realization of Russian offshore projects

Alexander Dzyublo, Deputy Head, Department of Science, Doctor of Geological and Mineralogical Sciences, Professor, Russian State University of Oil and Gas (NIU) Gubkin
Training of specialists for the development of offshore oil and gas fields at the Russian State University of Oil and Gas (NIU) Gubkin

SPECIAL SESSION
Financing and Procurement to the Oil and Gas Industry

Co-chairs:

Igor Smirnov, Head of the Department of Banking Support of Contracts, Gazprombank
Georgy Sukhadolsky, Head of Interfax-ProZakupki Analytical Centre

Invited Speakers:

Georgy Sukhadolsky, Head of Interfax-ProZakupki Analytical Centre
Information on procurement and supply in oil and gas industry: Where? Who? About what? What is written and spoken about?

Evgeny Mozhaev, Commercial Director, TEK-Torg
Electronic trading platform as a tool for increasing the efficiency of procurement process for oil and gas companies

Timur Manukyan, Director of Client Relationship Management, ЭТП ГПБ
E-procurement new services

Igor Smirnov, Head of the Department of Banking Support of Contracts, JSC Gazprombank
Bank supporting of contracts - instruments for increasing the effectiveness of investment projects

Maxim Kalinkin, Deputy General Director, JSC Gazprombank Leasing
Effective use of leasing by oil and gas companies

Ruslan Igilov, Commercial Director, TechnoStroyLeasing LLC
Comprehensive insurance for oil and gas companies

Maxim Lipatov, Head of Department for work with large clients in the Energy Industry, JSC "Sberbank Leasing"

Director of the department for work with the largest customers of the fuel and energy complex

Igor Golubkin, Senior Analyst, Association of Technopark and Clusters
Petrochemical cluster: organization practice and instruments of co-projects financing

15:00-15:30

Coffee Break

13th Russian Petroleum Gas Congress / RPGC 2017
In conjunction Moscow International Oil and Gas Exhibition / MIOGE 2017

OIL AND GAS RUSSIA: NEW CHALLENGES - NEW STRATEGIES

27-28 June 2017
Moscow • Crocus Expo Exhibition Centre

15:30-17:30

PLENARY SESSION 2
Diversification of Russia's gas export markets.
Key projects overview

Co-chairs:

Luis Bertrán Rafecas, Secretary General, International Gas Union (IGU)

Maria Belova, Director of Research, Vygon Consulting

Invited Speaker:

Sergey Serdyukov, Technical Director, Nord Stream 2 AG

Technical aspects and design of the Nord Stream-2 gas pipeline

Francis Browne, Editorial Director, Price Group, Platts

How the emergence of new pipelines and LNG can change the way that natural gas is traded and sold in Europe

Alexey Belogoriev, Deputy General Director for engineering, Institute for Energy and Finance / IEF

Russian gas on the competitive market

Kirill Lyats, General Director, LLC LNG-Gorskaya

LNG bunkering - Infrastructure project Aurora

Olga Rumyantseva, Executive Director, Representative Office, Gasunie Russia

The role of gas and gas infrastructure on a path to a low-carbon economy

Ivan Shabalov, General Director, Innovative Pipe Technologies LLC

Russian pipe companies: reliable partners in international infrastructure project

Dr. Julia Krause, Head of Technical Regulation, ALPHA Consulting GmbH

Legal and regulatory framework as an approach to the successful implementation of Russian capital investment projects

4th RUSSO-IRANIAN FORUM / RIOG 2017

Russia-Iran: Co-operation in the sphere of investment and technology for the development of the oil and gas industry

Chair:

Victor Darishchev, Deputy General Director for Science and Innovation, JSC RITEK

Invited Speakers:

Dr. Jaffar Tofighi, Secretary General, Technology Development Agency & Industry Innovation Oil, Gas & Coal

The need for cooperation between Iran and Russia in the field of energy

Farajollah Khabir, Executive Director, Investment Company of Khuzestan

Implementation of investment opportunities in Khuzestan

Farhad Kiarasi, Executive Director, Iranian Energy Technology Development Company

Opportunities for cooperation in the field of oil and gas

Masoud Riazi, Associate Professor, Director at Enhanced Oil Recovery Research Center, School of Chemical and Petroleum engineering, Shiraz University

Vitaly Smyslov, Head of Department of Search and Evaluation of New Projects, Zarubezhneft

Andrey Voltsov, Chief process engineer, NPP OZNA-Engineering LLC

OZNA company solutions for Iranian gas-fields construction

Petr Lukyanov, Partner of Venture Fund, Phystech Ventures

17:30-18:00

Closing Cocktail Reception for RPGC Congress
