

Officially supported by:

Under the patronage of
CABINET OF MINISTERS OF
THE REPUBLIC OF UZBEKISTAN

MODERNISATION OF UZBEKISTAN'S OIL AND GAS INDUSTRY

Conference day 1

Wednesday, 16 May

08:00 Registration
Welcome Coffee Break

09:00 SESSION 1: UZBEKISTAN'S OIL AND GAS INDUSTRY - OPPORTUNITIES AND PRIORITIES IN 2012

- The role of Uzbekistan as one of the key Central Asian exporters of hydrocarbons and products from their processing
- An overview of the industry's position in 2012
- Key industry priorities for 2012 - 2020

10:15 SESSION 2: PRIORITY AREAS OF COOPERATION IN THE INDUSTRY.
INVESTMENT OPPORTUNITIES

- Plans for modernisation of existing hydrocarbon systems and launch of new capacities in 2012
- Key industry partnerships and how they develop
- Diversification of deep hydrocarbon processing industry products – the development trends
- Opportunities in "Navoi" Free Industrial Economic Zone

11:15 Coffee Break

11:45 SESSION 3: KEY OIL AND GAS PROJECTS UPDATE

- An overview of existing and new development areas
- The Kandym-Khauzak-Shady-Kungrad project
- West Aral region
- Ustyurt and Bukhara-Khiva regions
- South West Gissar
- GTL project - update on FEED-2

13:00 Networking Lunch

14:20 SESSION 4: THE PROSPECTS FOR THE NATURAL GAS CHEMICAL INDUSTRY

- Gas chemical Industry priorities
- Government plans for industry product diversification
- New technologies for the natural gas chemical industry

15:20 Coffee Break

15:40 SESSION 5: LEGAL ASPECTS OF OPERATING IN UZBEKISTAN

- Local content
- Overview of current oil and gas legal system in Uzbekistan

16:30 OPEN DISCUSSION SESSION 6: UZBEKISTAN'S OIL AND GAS INDUSTRY DEVELOPMENT FROM AN INTERNATIONAL PERSPECTIVE

- Where does Uzbekistan find itself among rising global energy demand in 2012?
- The outlook on Uzbekistan's hydrocarbon industry development until 2020
- Where could Uzbekistan find its next long-term export partners?

17:00 Chairman's closing remarks

17:05 End of Conference Day 1

17:10 Visiting Exhibition OGU 2012

Official Exhibition and Conference Opening Reception

Conference day 2

Thursday, 17 May

08:00 Registration
Welcome Coffee Break

09:00 TECHNICAL SESSION 1: TECHNICAL SOLUTIONS FOR PRODUCTION CAPACITIES IN THE OIL AND GAS INDUSTRY

- Engineering solutions
- Energy-efficient technologies and equipment

10:00 TECHNICAL SESSION 2: GEOLOGICAL EXPLORATION SOLUTIONS

- New seismic and geophysical process solutions
- Advanced oil and gas exploration technologies

11:00 Coffee Break

11:30 TECHNICAL SESSION 3: PRODUCTION TECHNOLOGIES

- Reservoir modeling
- New multicomponent seismic solutions for depleting hydrocarbon fields
- Production stimulation solutions
- Technologies for enhancing oil recovery in difficult-to-extract oil reserves
- The application of new technologies in Sredne-Syr Darya and Khorezm regions, Amudarya basin and North Urtabulak field

12:30 Networking Lunch

13:30 TECHNICAL SESSION 4: ALTERNATIVE SOURCE OF OIL PRODUCTS – OIL SHALE

- Update on the development of the Sangruntau and Baysun oil shale fields
- Integrated technologies for oil shale production
- Zero waste technologies for oil shale processing

14:20 SESSION 5: LINKING EXPORT CAPABILITIES WITH DEMAND OPPORTUNITIES. THE DEVELOPMENT OF HYDROCARBON TRANSPORTATION

- Priority directions for exporting oil and gas

OGU 2012
16th Uzbekistan International Oil & Gas Conference
16-17 May 2012
InterContinental Tashkent Hotel, Uzbekistan

- Diversification of export routes – the current situation and short term priorities
- Transportation diversification possibilities for hydrocarbon products

15:20 Coffee Break

15:50 SESSION 6: PERSONNEL TRAINING

- Priorities in the industry's personnel training
- Models of personnel training – prospects
- An overview of the personnel training activities of Gubkin University

16:50 Chairman's closing remarks

17:00 End of Conference
